

Louisa May Alcott School Song

(Sung to: Twist and Shout)

**Hello, Welcome to Alcott, Louisa May Alcott,
Elementary School, Elementary School,
Our Mascot is the Orca, the Orca whale,
And we love it too, and we love it too.**

**Turquoise, black and white, are so right,
You know they look so good, they look so good.
They really bring us to life, they bring us to life.
Just like they really should, like they really should.**

**We participate, and try to follow the rules,
Like we really should, like we really should.
The teachers are so cool, they are so cool,
And the principal too, and the principal too.**

Ah, ah, ah, ah - Louisa May Alcott!!!!
